Headline:
Dry this evening, then showers overnight and some on Tuesday.

This Evening and Tonight:
Any residual showers soon clearing, leaving the country largely dry for a time. Further showers will move in from the north overnight, affecting most areas. Coastal areas turning windy before dawn. Rural grass frost is possible under prolonged clear spells. Minimum temperature 2 deg C (36 deg F).

Tuesday:
Many areas dry with sunny spells though some showers will develop across the country, possibly heavy for some but fewer than on Monday. Staying breezy, especially in the north. Maximum temperature 15 deg C (59 deg F).

Outlook for Wednesday to Friday:
Sunny spells on Wednesday, with the odd shower. A fine start to Thursday, but light rain possibly moving in later. Patchy rain clearing through Friday. Temperatures warming to average.
